# Shaquille Hosein

Media Producer & Videographer

## BACKGROUND

I am a filmmaker based in the Greater Toronto Area, and I provide services for independent film productions, music artists, social enterprises, and live events.

Currently, I am pursuing a career as a creator within the art and marketing industries. I am a passionate, hardworking, and dedicated artist with years of experience, having worked and volunteered with many reputable companies. I seek to employ my knowledge and professionalism in an exciting work environment looking to expand their roster with others like myself.
